

REQUIRED

BUYING HOUSES FOR SOURCING OF QUALITY MANUFACTURERS FOR PRODUCT SAMPLING FOR JAPANESE MARKET

TDAP is facilitating textile value chain for export diversification and entry into Japanese market for high end-value fashion apparels & garments including all types of Men's wear, Women's wear, Children wears and home textiles, etc. The samples of Japanese product/catalogue/brochures have been obtained from Japanese market.

TDAP requires applications from interested registered Buying Houses capable of selection of manufacturers who are well known for quality products, brand manufacturing, product development, having possessed modern production facilities in consonant with/adhering to international compliance/certifications duly equipped with qualified fashion designing. The buying houses will get product sampling jobs done ensuring quality, originality and product reliability, pricing and would carefully monitor development of samples within specified time frame.

The Buying Houses who have international exposure in textiles value added products marketing, established business relationship with major international buyers and have close interaction with/maintained data base of quality manufacturers cum exporters may apply alongwith support documents as evidence of business deals with international clients/principals.

The deadline for receiving application from Buying Houses is April 8, 2011.
