

TDAP REQUIRES

CONSULTANTS FOR FEASIBILITY STUDIES ON EXPORT ORIENTED PROJECTS

Trade Development Authority of Pakistan (TDAP) has launched some projects to add value and to develop export potential of several Pakistani products.

2. The projects are listed below:-

1. Establishment of Mango Pack House & Cold Storage (Common Facility Centers) at Multan and Nawabshah (Shaheed Benazir Bhutto).
2. Establishment of Carpet Institute at Quetta.
3. Establishment of Dates Processing Institute at Khairpur.
4. Establishment of Expo Centre at Multan.
5. Establishment of Leather Technology Institute at Lahore.
6. Establishment of Agro Food Technology Institute at Lahore.
7. Establishment of Marble Technology institutes at Karachi and Peshawar.
8. Expansion and up gradation of Gems & Gemological Institute of Pakistan at Peshawar.
9. Establishment of Pakistan Packaging Institute at Karachi.
10. Establishment of Carpet & other Craft Institute at Hala.

3. Proposals are invited from Consultants (National level Firms/Joint Ventures between National and/or International firms).

4. Core expertise/qualification required:-

1. At least 5 years experience of doing trade related / construction related feasibility studies preferably for public sector organizations.
2. Should have qualified staff in relevant fields.
3. Having Sound knowledge and understanding of export potential of the relevant sectors.
4. Linkages with Investment firms particularly for attracting investment in technology / machinery required for above projects and future export of products would be an added advantage.

5. The feasibility study must at least cover:

1. General Description of the project i.e. aims, objectives, need assessment, structure and functioning, relationship with stakeholders etc.
2. Possible business models for establishment of these projects and their sustenance over period of time.
3. Expected budgetary requirements, possible sources of funding and possible avenues of support in terms of technology/expertise.
4. Expected duration, time frame for the establishment of project.
5. Consultants are required to submit first draft within 45 days whereas, final feasibility report to be submitted within 60 days (maximum) from the date of start.
6. Interested firms may submit their "Technical Bids" and "Financial Bids" in separate envelopes at the name and address given below latest by **30th June, 2009** till 11:00 a.m. The "Technical Bids" should at least cover company profile alongwith registrations with relevant authorities like FBR etc., relevant documents as per the requirements mentioned above, details of employees, projects done alongwith completion certificate etc. The "Financial Bids" should cover consultant fee, other relevant charges including all taxes etc. (lump sum amount).
7. The "Technical Bids" would be opened on the same date at 11:30 a.m. in the presence of those bidders who wish to attend. However, the short listing of the firms would be done on the basis of submitted bid and presentations. The "Financial Bids" of those firms would be opened who would qualify technically after presentation. The date of opening of "Financial Bids" would be communicated to short listed firms separately.

For further details regarding the projects or any other query, the bidders may contact the name and address given below.
